Retractable barrier system

Description of the good practice

High visibility retractable barrier system that can fit onto cones. Easy to set up and remove any controlled zones. Easy to carry and re-usable. Economical, as only needs to be invested in once.

What are the benefits?

Provides exclusion and restricted access or normal working zone that is easy to identify. Each tape is 9 metres long and can attach to each other therefore, easy to set up large controlled zones. There are a variety of different accessories that can also be bought including lights that can attach to the top.

Are there any drawbacks?

More expensive than plastic tape. Each 9 metre tape is £51.99 if more than 6 are bought and can be bought from Greenhams.

Supporting Information

RETRACTABLE BARRIER SYSTEM

Unique way to cordon off any area, creating safer environments with high-visibility retractable 9 metre tape
